## Welcome

The purpose of this brochure is to provide some information about Father Lacombe Care Centre, the services provided and how to apply to become a resident.

Father Lacombe Care Centre offers compassionate, person-centred care that helps people enjoy life to their fullest, regardless of circumstances that affect their health and well-being. As Calgary's oldest Catholic-based long term care residence, we are equally committed to the service and care of people of all faiths and denominations.

Father Lacombe Care Centre is an accredited not-for-profit continuing care residence, owned by the Sisters of Charity of Providence and is operated by the Father Lacombe Care Society and governed by a volunteer Board of Directors.

The Society also operates Providence Care Centre, located across the street from Father Lacombe Care Centre. Should you wish to tour Providence Care Centre please call 587-393-1350.

## Admissions

Father Lacombe Care Centre does not accept applications for admission directly. All applications for admission are handled through Alberta Health Services (AHS) Transition Services as the single point of entry. They can be reached at 403-943-1685.

## Adult Day Program

Our goal is to enable older adults to live with independence and dignity for as long as possible.

Our Adult Day Program is for people who do not live at Father Lacombe Care Centre, but require support managing chronic health problems. This also allows respite for the caregiver. Programs operate Monday through Friday 9 a.m. to 3 p.m. and Wednesday from 3:00 to 9:00 p.m. Access is by referral through Home Care: call 403-943-1920 for details.

## Residential Care Services

The Father Lacombe Care Centre is a 114-bed residential care home. Our residents are mostly seniors along with some younger adults who require our services. All residents have health issues that may be physical, cognitive, or very frequently both, when care and assistance must be readily available at all times.

Father Lacombe Care Centre provides:

- ✓ Nursing and personal care on a 24-hour basis, including care given by, or under the clinical direction of a registered nurse or licensed practical nurse, the administration of medication, and assistance with activities of daily living.
- ✓ Assessment and care services from a clinical team including nursing, social work, dietitian, occupational therapy and recreation.
- ✓ Complete meal services, including 3 daily meals, snacks, therapeutic diets and assistance with meals.
- ✓ Shared rooms to start, with the option to move to a private room when one becomes available. Each resident room has an ensuite toilet, sink, hospital bed, clothing closet, drawers and nurse call system. Residents can personalize their rooms with pictures, television and small additional furnishings.
- ✓ A variety of social and recreational programs and physical activities.
- ✓ Pastoral care and religious services.
- ✓ Laundry services for all required bedding and linen and the cleaning and upkeep of all rooms and public areas.
- ✓ Resident care supplies including basic care equipment and supplies necessary for resident care.
- ✓ Each resident receives medical care from a family physician. The facility has a Medical Director who oversees the quality of medical care.
- ✓ Additional services available (at a cost to the resident) are cable TV, Wi-Fi, Phone, Laundry Services, Podiatrist, Optometrist, Audiologist, and Beauty Salon.
